Local Praise the Lord

Pastor Vincent Robinson from Right Way Christian Center spoke on the December 4th local *Praise the Lord* program, sharing how Christians need to reclaim their focus. It is God's will that every believer prosper. But while God provides the opportunity, it doesn't mean that there are not going to be Christians who struggle with lack. We must get our focus back, Pastor Vincent said. We are not here to occupy space; we are to give our honest attention to the Word. When we allow the Word of God to slip, we begin to face problems. God did His part to bring us back from the fall. We must get out of that lower-level thinking. If Satan is trying to convince you that the word of God will fail you — don't believe him!

Our guests for the December 11th *Praise the Lord* program included Pastor Corey McCoy from the Word of God Church, and Pastor Timothy Conaway from Restoration Place Church. It was a great program with a rich sense of God's presence. TBN Regional Manager Dan Huntsinger was present to offer an awesome prayer over the guests.

Annual Senior Holiday Chit-Chat Luncheon

On December 11th WMPV was present at the annual Holiday Chit-Chat Luncheon for seniors hosted by Representative Barbara Drummond, Councilman Levon Manzie, and Councilman C.J. Small. It was an honor to meet and greet some of the seniors who love TBN and we thoroughly enjoyed visiting with everyone.

Making Kids Happy at Christmas

TBN partnered with Kingdom Covenant Connection and several other churches and organizations to make some local children happy this Christmas with some awesome gifts (pictured, left). Putting big smiles on the faces of children made everyone feel good, and helped make for a merry Christmas at TBN's WMPV studios.
