JOY IN OUR TOWN

LaTrynnda Hollins talked to Prophetess Nicole Armstrong about being spiritually balanced regarding kingdom wealth. It is important to know your kingdom wealth. God is concerned about your whole life spirit, soul and body. The wealth of the kingdom is more than money. "My beloved, I wish above all things that thou mayest prosper and be in good health even as thy soul prospereth." Kingdom wealth starts beyond your riches it starts in the soul. God wants us to have spiritual abundance.

RIGHT: LaTrynnda Hollins talked to Prophetess Dr. Yvonne Capehart about rebuilding the family. Families should stop operating out of fear or anger but out of love. We all have confidence in the justice system and the laws are supposed to be the same for all, but they are not enforced the same for everyone. There is a spiritual component in what we see today. Don't let your HOPE be stolen, because it could be replaced with fear or anger. When all hope is gone, you trust in God.

JOY IN OUR TOWN

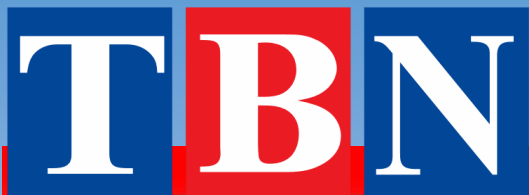

Pastor Joseph Johnson talked to Dr. Minnie Claiborne, Ph.D. LHD about seeking Christian Counseling. People often think that God is just for religious things. Tell God all your secrets, and don't keep those bad thoughts. Allow God to bring healing. We are all humans, we have a new nature, when we are born again spiritually. We have the capacity to be transformed totally. We have to learn how to use words to ease the stress in our lives.

RIGHT: Pastor Joseph Johnson talked to Pat Hall about the after school tutorial program where they give the children a hot meal and then help with their homework. Many children leave school and do not graduate from high school, decreasing their ability to get a job and being able to make a living to support themselves. *In the Gardens* is where we learn the blessings of sowing in healthy soil, and living our lives as God has taught us as we bring forth good seeds of love.
