# WSFJ NEWS NOVEMBER

Sending the Hope and Grace of Jesus to the World! Columbus, Ohio • November 2016

In November we saw an increase in fresh "Likes" from new friends on our social media sites!

We had a heavy flow of traffic and interaction on our local page as we surpassed 2,200 "Likes!"

Our **Second Chance** Facebook page had a good month of increase. We were blessed to receive **a letter from an inmate's wife** thanking us for posting every day, providing her hope and encouragement.

WSFJ, TBN Columbus was proud to partner with Sister Esther Flores of 1DivineLine2Health. TBN sowed a seed of \$500.00 dollars to purchase a refrigerator for the Gilgal House. A generous, Godly man heard the story, and chose to donate 2 houses to bring healing to women who are hurting. He is humble and chose to remain anonymous.

Sister Flores writes, "The houses will be numbered and called Gilgal. This is the first house. It needs a lot of work, but God will meet our needs! My side kick Heather CEO of Basement Blessings is remodeling the house and cannot wait to decorate it with her Blessings/Mommy Brigade! As loving and licensed professionals we both are bringing a HOLISTIC approach to healing and starting 'helping homes' in central Ohio, then the nation and then the globe!"

Patti Pendleton, founder of Rescue Ministries International, appeared on Joy to share regarding Support for Single Mothers, along with how God's faithfulness to single mothers can be seen in Scripture.

Jabakki Walker, founder of Blood Redemption Community Operation, appeared on Joy to share his testimony regarding forgiveness, including with how finding God lead him away from the streets.

Nichole "Lady Extreme" Carter, founder of Xtreme Gospel Comedy, appeared on Joy in Our Town to share information about Christian comedy, along with how comedy has brought healing to the community!
