# WSFJ TBN NEWS September

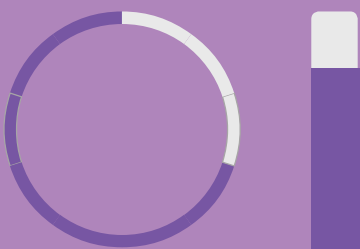

Sending the Hope and Grace of Jesus to the World!

In September we had a great increase in new "Likes" from friends on social media!

OUR FACEBOOK PAGE INCREASED WITH 180 NEW "LIKES" THIS PAST MONTH . . .

We have had great traffic and interaction on our local page as we moved PAST 1,980 "Likes." Our TBN 2nd Chance Facebook page had a great month of increase with 45 new Likes and 3,000 views. We have eclipsed 6,000 followers, which was our short distance goal.

WSFJ TV-51/TBN Columbus was so honored and proud to partner with Sister Esther Flores from **1DivineLine2Health**, which provides care and aid to women who are victims of sex trafficking. In addition to her local program, Esther also goes to third world countries to take food, aid, and medical supplies to impoverished families and children. Many children have skin and parasitic infections. Recently **1DivineLine2Health** medical workers arrived at an orphanage just in time to help manage a chicken-pox outbreak!

Pastor Sherwin Armistead shared with our audience a powerful testimony of God's grace as his wife battles stage 4 breast cancer. Please pray for the Armisteads for healing, and that no weapon formed against them would prosper!

Sister Keisha Briggs and Brother JR Edwards perform "Master" on our local *Praise* program. Keisha's Facebook sums up what God has done for her: "No longer chasing what doesn't serve a purpose in my life!"

After finding out their son was addicted to heroin, Brenda and Mark Stewart founded Addict's Parents United. They recently shared on *Joy in Our Town* important information on how co-dependency can contribute to drug use.
