

Community Outreach

WWRS was honored to donate \$200 to our partner, the Milwaukee Rescue Mission. The money will go towards providing a Thanksgiving Dinner to 100 hungry and homeless persons in our community. The flyer pictured above states that \$2.04 will provide a full plate of turkey, mashed potatoes and gravy with all the trimmings, along with pie and coffee. I presented the check to Amy Halcomb of the MRM.

WWRS produced a local PSA with Pastor Arthur Johnson that features his outreach ministry, Children of the Lord.

WWRS attended a job fair held at Concordia University. Lots of interest in TBN as a potential employer. All our Love Gifts were given away!
