Job Fair at Illinois Media School

The WWTO staff loves to get out and meet new people. Recently, Production Supervisor Thomas Moroniak and Intern Jasper Strong attended a Job Fair at *Illinois Media School*. During their time at the job fair, Thomas and Jasper met many potential freelancers. Many of the students and Illinois Media School are looking for opportunities to gain more experience. Several of the students that were in attendance that day shared their resumes with Thomas and Jasper. They were all excited to hear about the opportunities that WWTO has to offer. Our station is always looking for new faces to help out during productions.

Raising the Standards

On April 8th, WWTO was blessed with the opportunity to record four episodes of *Raising the Standards*, which airs on TBN Salsa. Dr. Andrea Ramirez hosted many guests and spoke about the importance of education and preparing children for college. The program also focused on how our faith impacts our perspective of education.
