

Taking the Gospel all over the World

TBN Russia

At WWTO we appreciate being a part of sharing the Gospel all over the world. The awesome Russian programs are just one of the avenues by which we can do that. Even though there may be a language barrier, the glue that brings everyone together is Jesus and spreading His love abroad.

TBN Pakistan

As growth has hit the Aurora station, we have been excited to be a help in the taping of JCTV Pakistan programming. We believe in helping spread the gospel to every man, woman, and child all over the world. WWTO counts it a privilege to be a part of the worldwide push to bring glory to God.

“But you will receive power when the Holy Spirit comes on you; and you will be my witnesses in Jerusalem, and in all Judea and Samaria, and to the ends of the earth.” Acts 1:8 NIV

On *Praise the Lord*, Pastor Dan Willis from Lighthouse Church of All Nations hosted a great line of guests. Tracey Mitchell and Tena Degraaf are both authors and speakers who talked about their books and the journey it took them down. Also joining us was Apostle Kevin Cunningham, who talked about manhood and the importance of training men up in this time. Apostle Kevin and Pastor Dan gave their outlook on the strengths, weaknesses, and issues men today face in the world.

Praise the Lord

Joining us on *Joy in Our Town* was Minister Kurt Williams of Lifeline Ministries in Chicago, IL. Minister Kurt provides a program to help men get off the streets and off drugs by setting up classes and a place to stay while they are learning life skills to help them become better men in the community.

Kurt also brought two of the students along with him to give an inside point of view as well as their own personal testimony on how God brought them through some of the hardest times in their lives by introducing them to Minister Kurt and the Lifeline Ministries. As a sense of help and support to the Ministry, WWTO sent books and love gifts with Minister Kurt to share the love of God with future students and to push the ministry to the next level.

Praise the Lord

Pastor Marsha Sue Mitchell joined us on *Praise the Lord*. Pastor Marsha brought a country twist to the studio as she released worship unto God and shared the hope and peace of the Gospel. Marsha left us with a compelling testimony that we're sure was a blessing to our viewers.

Community Fun Day Kingdom Builders International

Our very own Emily Young, Krista Malaga, Tom Moroniak, TC Hill, and Deanna Crudup took part in a Community Day in the city of Joliet. It was a fun filled day packed with games, food and giveaways. The mayor of Joliet and church leaders spoke and acknowledged the community and released unity and vision to people of Joliet. Each child that came left with school supplies and toiletries to start the school year off right.
