Lending A Helping Hand To Those In Need

Joy in Our Town

“God is not unjust; he will not forget your work and the love you have shown him as you have helped his people and continue to help them. “Hebrews 6:10 NIV

WWTO is blessed to be able to inform the local community about services and events through the avenue of *Joy in Our Town*. Dr. Glenda McCullum and First Lady Charlette Blackful hosted a wide range of guests. Pastor Larry Perez of UTurn Covenant Church, Pastor Andre Williams of the Love of Christ Ministries, Pastors Erik & Caren Susberry, and Dr. Paul Phillips of Better Man Than Me joined us on the set to speak about the powerful services they are offering to our community. Services range from food and meal preparation for the homeless and low income families to mentoring young men in preparing them for life.

Monthly Prayer

We believe that prayer is one of our most important weapons. Prayer changes things, so here at WWTO we are hosting corporate prayer on the second Tuesday of every month. This is a way to network with local churches as well as intercede on behalf of our churches, families, cities, and nation. This month our prayer point was dealing with our government and people in authority.

Community PR

Our Public Affairs Director, Deanna Crudup, attended a meet and greet hosted by Dr. Veronica Crim of Gathering of the Nations, where Bishop Edward Duku from South Africa gave a powerful word concerning 2017 and being the seed of Abraham.

Bishop Duku and Dr. Crim also joined us in the studio along with Ambassador Sophia Ruffin, Apostle Ricky Musgrove, Pastor James Fortune, and Pastor Devon Walker. Each one took time to share what their ministries are doing and to give personal testimony about what God has done in their lives.

Pastor Larry Perez joined us on the set to host another awesome *Praise Salsa* Style. Guests included Pastor Lou Ramos of Storehouse Church in Chicago, Illinois and Pastor David Marrero of New Life Covenant Northwest also in Chicago. Our musical guest was Glory House Ministry.

Road to Glory Conference

WWTO's Emily Young and Krista Malaga attended the Road to Glory Conference at Calvary Lighthouse Church in Rochelle, Illinois, where the Glory of the Lord was the topic. Many of the speakers gave their testimony and shared the Word of God concerning Ireland. WWTO took on the task in dedication of praying for Wicklow, Ireland. There was also an opportunity for us to network with Pastors in our area. We are excited to see the WWTO family and friends grow. In addition to attending the conference, several of the speakers from the conference were invited into the studio to record segments about their personal testimony and how God is using their ministry.

TBN Russia

Every month WWTO has the awesome opportunity of taping programming for TBN Russia. Pastor Mike and his guests are always excited to come into the studio to create programming that reaches so many souls on the opposite side of the world. We here at WWTO are truly blessed to have the opportunity to continue to reach so many.

TBN's Russ Hall Visits WWTO

TBN Vice President of Production Russ Hall visited us here at WWTO to talk about future plans for the studio. We are excited for the changes to come and the opportunity to do more work to spread the Gospel all over the world.
