Taking the Gospel all over the World

Manhood Matters Conference

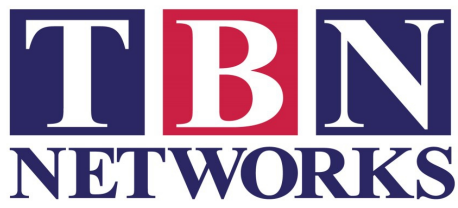

As an endeavor to network with churches from our area, T.C. Hill, Emily Young, and Tom Moroniak joined Pastor Cunningham of the Manhood Matters Leadership Institute. The conference was geared towards building men up through the Word of God.

Joy in Our Town

Joy in Our Town welcomed Pastor Marquitta Rodgers from All Nations Worship Assembly. Pastor Rodgers spoke on the important topic of building a family in a single parent home while balancing a freshly started business. Pastor Rodgers was able to give a few pointers on how to balance out being a single woman raising a teenager in today's hectic world.

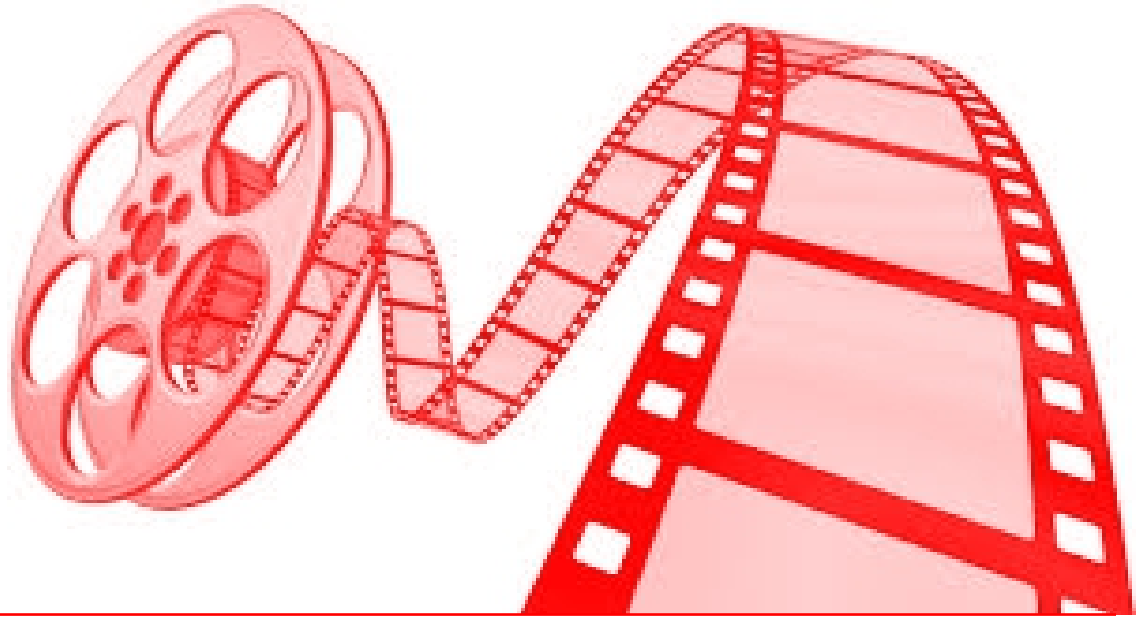

TBN Russia, hosted by Pastor Mike, is a success. Pastor Mike is truly a pro when it comes to taping segments. Being apart of spreading the gospel all over the world is an awesome privilege. Here at Aurora we look forward to TBN Russia every month.

Here in Aurora we look forward to taping TBN Salsa. The Harts joined us on our TBN Salsa set and really brought the presence of God with them. It is always good when people who have different cultural backgrounds come together with one goal, and that is to worship the Lord.

WWTO Aurora Casting Call

Here in Aurora we are so excited for the shift *Joy in Our Town* has taken on a new look in more than one way. With the shift there was a need for new hosts. So word went out throughout the area and people joined us for our first casting call for hosts on our local programing. We had a nice turnout with about 12 people showing up. This gave us time to sit down with each person and really get to know them and set up an actual *Joy in Our Town* segment so they could get the feel for how things run. Overall it was a great experience and we look forward to the next leg of the race.

Giving to our Community

The Word of God directs us to sow into good ground. So we look to find opportunities to give into people, Ministries, or communities. We had an awesome opportunity to give food and daycare items to Kingdom Builders

International Worship & Training Center in Joliet, IL. Some of the items included play mates, a mini pool, play school car, and tool Set, as well as food and other items for the Kingdom Builders food pantry.
